MATTHIAS BRAUN (UNIVERSITY BONN)

AMY CYPHERT (WEST VIRGINIA UNIVERSITY)

RAMAK MOLAVI VASSE'I (THE LAW TECHNOLOGIST,
MOZILLA FOUNDATION)

LAURA WEIDINGER (DEEPMIND, UNIVERSITY CAMBRIDGE)

FEBRUARY 8, 2023
2:30-5:00 PM (CET)
VIA ZOOM

OpenAI's GPT-3 is currently experiencing a lot of hype. Such Large Language Models (LLM) have the potential to transform every aspect of our life – also the legal system. Which social and cultural changes do such AI-based systems imply when they are applied in the legal context? How can LLMs be used responsibly? What fundamental jurisprudential and ethical questions arise? What kind of disruptive effects can we expect?

AGENDA

2:30PM INTRODUCTION

2:45PM LLM BASICS, CHALLENGES & POTENTIALS
LAURA WEIDINGER

3:10PM SOCIAL IMPLICATIONS & GOVERNANCE
ASPECTS OF LEGAL LLM-BASED SYSTEMS

PANEL DISCUSSION
